COCKTAILS

Pornstar Martini

A staple on any cocktail menu. Fun fact... did you know that the correct way to enjoy a pornstar is to take a sip of prosecco with each sip of your drink? No? Me neither! I don't know about you but I just chuck it all in, no ones told me off yet.

Salted Caramel Espresso Martini

What would a cocktail list be without an Espresso martini? To simultaneously wake you up and chill you out. Made with our very own exclusive Isabel's coffee blend by Staffordshire Coffee.

Fresh Prince of Belvedere

Like chillin' out? Maxin'? Relaxin' all cool? This luxury beverage calls for only the finest ingredients.... Belvedere Vodka, fresh strawberries and a subtle spritz of prosecco.

Tuck Shop

Got a sweet tooth? Then this one is for you! This creamy and indulgent creation features our homemade marshmallow-infused vodka, chocolate liqueur AND vanilla syrup! No sweet lies here!

Very Berry Nice

With a blend of soft fresh berries and a generous pour of Ciroc red berry, this sour and silky cocktail is vibrant on the palette. A velvety foam makes every sip a treat for all the senses.

Especially For You

With raspberry and vanilla vodka, this fruity cocktail is loved by all, but was made especially for you! So if they're the Kylie to your Jason, call them up and let them know! This one goes out to all the lovers in the house.

New Fashioned

A boozy and mature drink with bourbon and sweet vermouth. This cocktail is for the sophisticated sipper. Its rich and smoky charm will put hairs on your chest! With a sprinkle of cinnamon it's fragrant and spiced depth will warm your cockles.

Blood Orange Margarita

If tequila's your tippie, then this citrus creation will make you smile. Half rimmed with lime and flaked sea salt for that authentic margarita experience. A tu salud mis amigos!

Please let us know of any intolerances, allergies or other special requirements.

*Do not touch or consume dry ice pellets. Please allow your drink to stop bubbling before you enjoy it.
